

Crane and Rigging Industry from Construction

Skyward Specialty Construction targets crane & rigging contractors typically \$20M in sales and less. We write through our A-IX rated insurance carriers using both admitted and surplus lines paper. Skyward Specialty provides comprehensive and competitive casualty insurance coverages designed for the crane market, as well as uses dedicated Underwriting, Claims and Risk Management staff to provide best in class services. We partner with an exclusive network of retail agency partners, and a few hand-picked wholesale brokers, knowledgeable in the crane market covering the entire country.

UNDERWRITING FOCUS:

- Crane Rental with/without Operator, Rigging and Millwright, Equipment Dealers and Rental operations.
- Incidental operations (up to 50% of total sales) associated with these classes including Specialized Hauling, Warehousing and other related classes.
- We also target classes that use cranes in their operations such as Steel Erection, Floor and Wall Tilt-Up Panel Erection, Pile Drivers, and Bridge Contractors.
- Wind Farm, Tower Crane and “for hire” Trucking—exposures are available if incidental but are exception basis only (please review with your UW).

COVERAGES OFFERED:

- Commercial General Liability and Commercial Auto.
- Workers Compensation & Employers Liability (if payroll is “crane operator” driven).
- Excess Liability capacity up to \$5M.
- Property/IM: Our focus is more the smaller crane operation with typical per item limits <\$500K values, but we have flexibility for accounts with a few cranes with higher limits. Similarly on Property we target similar lower per location limits (no coastal wind / flood or EQ zone exposures).

FEATURES:

- GL: Rigger’s Liability via CCC Exclusion Endorsement OR “On-Hook” coverage; “Per Project” GL limits with a \$5M Aggregate Cap.
- GL OR AUTO: Mobile Cranes covered as per state requirements or client request.
- Excess: true follow form Excess; follow form CCC available.
- Dedicated Crane Underwriters and Crane Claims Professionals with construction focused Risk Control Services and Crane Contract support provided through TPA’s.
- Unlike the MGU’s/MGA’s markets we compete against Skyward is a direct carrier market offering “full commissions” and our Underwriting team has the direct authority to resolve your matters quickly so we can excel at the service you deserve. Additionally, we don’t charge extra “risk management fees” on top of the premiums we charge.

Submission Requirements: Completed Skyward Specialty Crane supplemental & signed ACORD applications with 5 years loss runs. Sample Crane Rental Agreement, Master Service Agreement and/ or Job Ticket. Crane Operator certificates and annual Crane Certifications. Copies of relevant and current safety manuals / materials. Subcontractors Agreements.
