

## Medical Facilities and Providers Liability

In today's dynamic environment, medical facilities face emerging risks and claim trends. Skyward Specialty understands these significant liability exposures and the need for adequate protection.

Our national Healthcare underwriting team brings extensive experience specific to this segment and is ready to collaboratively craft solution-oriented coverage for your clients.

Skyward Specialty offers broad medical professional and general liability coverages on a non-admitted basis which allows the most flexibility when tailoring coverage.

Our claims team is experienced to proactively assess and manage claims to ensure clients are properly represented and protected.
