

Pest Control Made Easy

Over half of the 20,000 U.S. pest control companies are under 10 employees and \$1 million in annual revenue. It is largely a recession-proof class of business.

It can also be a challenge to efficient agency servicing. Skyward Xterminator Pro allows your agency to create a profitable revenue stream from these smaller accounts with minimal time investment and handling, and with attractive commissions.

SKYWARD
SPECIALTY INSURANCE

Xterminator Pro

For most new monoline GL submissions under \$5000 in premium, the Skyward Xterminator Pro Account Management Portal can:
